

FROM THE DESK OF EXECUTIVE EDITOR

(Birdem Med J 2012; 2(1): 73)

2nd Issue of BIRDEM Medical Journal

This peer reviewed journal will be a valuable collection of different articles of all disciplines of medical and allied sciences. It will publish CME articles, article of researchers of different disciplines of BIRDEM and other institute of home and aboard. We have already registered a web site (www.birdemmedj.org) We are trying to disseminate the journal to different web site and databases (Hinari, Free Medical journal, Bangla Jol, Bangladesh publishing group etc).In this effort we have already submitted it to Googles and yahoo. We are encouraged by our readers and their responses from home and abroad. We are very much thankful to our online readers,very much appreciate our authors who encourage us and enrich our jouirnal with articles of variation.

Eagerly waiting for your valuable advice and new articles.
