(Birdem Med J 2014; 4(2): 123)

This peer reviewed journal is an important assortment of different articles related to various disciplines of medical sciences. It welcomes original articles, review articles, meta-analysis, systematic reviews and case reports from physicians and allied professionals of different medical institutions from home and abroad. The website of the journal (www.birdemmedj.org) can be browsed conveniently and the journal can be viewed online through Google and Yahoo. Its ISSN is Print: 2305-3712, Online: 2305-3720. We have received official registration for the journal from Bangladesh Medical and Dental council (BMDC). It has also been enrolled to [banglajol](http://banglajol.info/bd/index.php/BIRDEM/index). One can browse <http://banglajol.info/bd/index.php/BIRDEM/index> to find out any article by searching the title. Manuscript can now be submitted online. We are also enriched with system to record the number of online readers who have browsed and visited the journal from web site. This is surely very much encouraging to us.

In the previous issue we have narrated the latest guide line of treatment of Hypertension as editorial. In this issue added ATP IV guideline to treat blood cholesterol to consummate the conception of management of problems of noncommunicable disease. In our first issue we mentioned aim of establishing BIRDEM/BADAS and sited it's growth and expansion in decades. We tried to enumerate services rendered by BADAS through BIRDEM to the nation in 'BIRDEM NEWS' in this issue.

We feel tremendously buoyed by our readers' participation and their responses from all over the globe. We are very much thankful to the online readers. We also express our pristine appreciation and gratefulness to the authors who bolster our hope immensely and enrich the journal aptly with valuable articles.

We eagerly look forward to your valuable advice, suggestions and recommendations in the future.
