

FROM THE DESK OF EXECUTIVE EDITOR

(Birdem Med J 2012; 2(2): 138)

The peer reviewed journal will be a valuable collection of different articles of all disciplines of medical and allied sciences. It publishes CME articles, article of researchers of different disciplines of BIRDEM and other institute of home and abroad. Any one can browse our web site(www.birdemmedi.org). you can search the journal in google and yahoo. we are trying to disseminate the journal to other websites like Hinari, Free Medical journal, Bangla Jol, Bangladesh publishing group. We are making provision for online submission and online registration for our readers.

We are encouraged by our readers and their responses from home and abroad. We are very much thankful to our online readers very much appreciate our authors who encourage us and enrich the journal with articles of variation.

Eagerly waiting for your valuable advice and new articles
