(Birdem Med J 2014; 4(1): 59)

To
The Executive Editor,
BIRDEM Medical Journal

I, Dr. Waheeda Nargis, am one of the registered viewers of the Journal & always appreciate the way its updates are maintained online. I'd like to contribute as an author; may I submit manuscript via email provided at contacts? I'd also like to collect a print copy. Please let me know if any other officials are necessary.

Sincerely,

Dr. Waheeda Nargis,
Assoc. Prof. of Biochemistry,
Uttara Adhunik Medical College Hospital, Dhaka.
MO: 01191225168

Editorial response:

Thank you very much Dr. Wahida. In fact editorial board is always looking for fans like you. Yes, there is arrangement for online submission of articles. We welcome you to contact in any way. Inshallah this copy and previous all copies will reach you very soon. In fact we have arrangement to send hard copies to Medical Colleges. Somehow Uttara Adhunik Medical College has been missed. But I suppose some of your colleagues might have it already.

Best wishes

Prof. Khwaja Nazim Uddin
