From the Desk of Executive Editor

This peer reviewed journal is an important assortment of different articles related to various disciplines of medicine and allied sciences. It welcomes original articles, review articles, meta-analysis, systematic reviews and case reports. It expects and appreciates the contribution of physicians and allied professionals of different medical/scientific institutions from home and abroad. Anyone can go through the articles by browsing www.birdemmedj.org. Our ISSN is (print 2305-3712, on-line 2305-3720). We are registered to Bangladesh Medical and Dental Council (BMDC) and enrolled to BanglaJOL. Authors can submit manuscript on-line. The statistics of our online viewers is enthusiastic and very much encouraging.

BIRDEM Medical Journal is in its 11th year of publication. We have to increase the number of original articles for last few issues as we have available good manuscripts. It is indeed an encouraging response from readers and authors. This proves endorsement of quality, peer reviewing and needless to say, the timely publication of the journal. We had editorial on COVID-19 in last two issues. Post-COVID sufferings is a big issue in the current time of COVID pandemic, in this issue, editorial is to highlight the post-COVID or long-COVID syndrome.

Promulgation of antibiotic protocol was our long time plan. Recently BIRDEM General Hospital has unveiled the antibiotics protocol. You could get it in our BIRDEM news page. We feel tremendously buoyed by our readers' participation and their responses from all over the globe. We are very much thankful to our online readers. We also express our pristine appreciation and gratefulness to the authors who bolster our hope immensely and enrich the journal aptly with valuable articles. The editorial and advisory boards are eagerly looking forward to your valuable criticism, advices and recommendations to improve our endeavor.

Eagerly waiting for your new manuscripts.
