This peer reviewed journal is an important assortment of different articles related to various disciplines of medical and allied sciences. It welcomes original articles, review articles, meta-analysis, systematic reviews and case reports. It expects and appreciates the contribution of physicians and allied professionals of different medical/scientific institutions from home and abroad. Anyone can go through the articles by browsing www.birdemmedj.org. Our ISSN is (print 2305-3712, on-line 2305-3720). We are registered to Bangladesh Medical and Dental Council (BMDC) and enrolled to BanglaJOL. Authors can submit manuscript on-line. The statistics of our online viewers is enthusiastic and very much encouraging.

BIRDEM Medical Journal is in its 11th year of publication. We have to increase the number of original articles for last few issues as we have available good manuscripts. It is indeed an encouraging response from readers and authors. This proves endorsement of quality, peer reviewing and needless to say, the timely publication of the journal. Even during the corona pandemic havoc non-communicable disease(NCDs)remains the agenda of highest concern in the present world. Bangladesh has set it's goal for control of NCDs ,it has adopted an integrated programme for it. NCDs is our editorial in this issue. Regenerative medicine is also in the editorial. Regenerative medicine is already in the world's of future health horizon .It has a promising role and prospective future.

BIRDEM, along with sister organizations observed world diabetes day. You could witness the celebration in Birdem news .BIRDEM Alumni has started with journey with the inspiration of the DG Professor MKI Quyyum Choudhury. We feel tremendously buoyed by our reader's participation and their responses from all over the globe. We are very much thankful to our online readers. We also express our pristine appreciation and gratefulness to the authors who bolster our hope immensely and enrich the journal aptly with valuable articles. The editorial and advisory boards are eagerly looking forward to your valuable criticism, advises and recommendations to improve our endeavor.

Eagerly waiting for your new manuscripts.
