

## Notes & News

---

Bangladesh Paediatric Association (BPA) organized its **6<sup>th</sup> International & 22<sup>nd</sup> Biennial BPA Conference** on 22-23 October, 2021. Considering COVID-19 pandemic the conference was held in hybrid manner ie. both virtual and physical. Physical part was held at Auditorium, Milon Hall & Milton Hall of Bangabandhu Sheikh Mujib Medical University. The conference theme was “Ensuring Child Health for SDG during COVID-19 and Beyond”.

**A pre-conference session** based on the Lancet Epidemiology Series was held on 21 October, 2021 by zoom.

**BPA- Prof. Luthful Kabir Research Grant Distribution Program** was held on 23rd October 2021 at 9:00 AM in Milton Hall of BSMMU. This year the research grant was given to 23 researchers from different institutes of the country.
