

Bangladesh Journal of Dental Research & Education
Official Publication of Bangladesh Academy of Dentistry International (BADI)

Dear Colleagues

INVITATION

Bangladesh Academy of Dentistry International (BADI) has already been recognized as the organization of Dentistry and Dental Professionals due to its multifunctional program for the better development of Dental science, health & Education. Presently Bangladesh Academy of Dentistry International (BADI) is going to organize its 4th National Congress, Dental Seminar & Trade Fair at Ambrosia/Hotel Agrabad, in the Port City of Bangladesh-Chittagong, on 9-10th January, 2014.

A big & marvelous Dental Trade fair will be arranged at the conference venue with participation of manufactures, exporters, sole agents of Dental equipments, Dental apparatus, Dental Materials, Dentifrices and Toothbrushes.

The Scientific Program offers the opportunity to hear and gather knowledge, and Hands on courses conducted by eminent speakers covering diverse aspects of contemporary dentistry including a comprehensive coverage of recent advancements as well as insights and fresh ideas to establish a standard of thoughts and practices.

To make the congress a grand success, we are deeply in need of your co-operation, inspiration and support. We therefore request and hope that you will render us your utmost possible help in all respect.

With Thanks

Dr. Md. Jahangir Kabir
President

Dr. Chowdhury Moin Jan
General Secretary
