
Bangladesh Journal of Orthodontics and Dentofacial Orthopedics
Official Publication of Bangladesh Orthodontic Society.

Message

Vice President,
Bangladesh Orthodontic Society

On behalf of Bangladesh Orthodontic Society it is a great privilege in my part to provide this congratulatory message on the beginning of the publication of "Bangladesh Journal of Orthodontics & Dentofacial Orthopedics".

With the advancement of Orthodontic education and technique, it will be a great helpful for sharing scientific knowledge and technique through this media. I believe that this will initiate a new paradigm for future orthodontics in Bangladesh.

I dearly appreciate the endless dedication and belief of every member of our Society. I do appreciate for all the contributors for their great noble contribution and I believe this will be a continuous process. We should be proud of our work.

Lastly, I thank all the members of the BOS specially President & Chairman of Journal Committee, Prof. Dr. Mohammed Emadul Haq and also Secretary General and Editor-in-chief of the Journal, Prof. Dr. Md. Zakir Hossain for their efforts to publish this Journal.
