
Bangladesh Journal of Orthodontics and Dentofacial Orthopedics
Official Publication of Bangladesh Orthodontic Society.

Editorial

It is my privilege to announce that the dedicated team members of Bangladesh Orthodontic Society has worked hard to publish Volume 1 No 1 October 2010, the 1st issue of Bangladesh Journal of Orthodontics & Dentofacial Orthodontics with its ISSN # 2219-5211. My sincere thanks and warm congratulations for the contributors, unless which it would have been a impossible job. We are getting very good response from the contributors especially from the young trainee doctors. The publication of the 1st issue along with the present issue will further stimulate other orthodontists of our Society who are still in the state of darkness about our endeavor and outstanding support from most of the society members. We are committed to keep it up with international standard. We believe, you will find much of value in this Journal to publish your clinical techniques and academic knowledge in contemporary orthodontics.

I am aware that Bangladesh now has two institutes with accredited orthodontic programs educating the new generation of orthodontists. The Bangladesh Orthodontic Education System is getting stronger as the years go ahead. Although, we have a lot of limitations, still, the new generations of trainee orthodontists are capable of learn orthodontics other than going abroad. We, sincerely encourage all the members of Bangladesh Orthodontic Society to actively participate for the continuous publication of our Journal, which will in turn reflect the heritage of orthodontics in Bangladesh.

Once again, I thank all the members of the Bangladesh Orthodontic Society, Editorial Committee, all the valuable contributors for their sincere cooperation for the fulfillment of my responsibility entrusted upon me as an editor-in-chief of our official publication.

Finally, May I wish you all a happy nonstop journey in the field of Orthodontics and Dentofacial Orthopedics in Bangladesh with the continuous publication of "Bangladesh Journal of Orthodontics and Dentofacial Orthopedics."
