

OBITUARY

Prof Syed Ershad Ali

(1926 - 31 December, 2012)

Prof Syed Ershad Ali was born in a respectable Muslim family in the year 1926. He was graduated from Dhaka Medical College in 1952 and obtained his MRCOG degree in 1965. He was elected as FRCP in 1974 and FRCOG in 1977. Prof Ali started his eventful career as a House Surgeon in Dhaka Medical College in 1952. Subsequently he was placed in different positions, both academic and clinical, to be a Professor of Obstetrics & Gynaecology in 1971. He was appointed as the Principal of Sylhet MAG Osmani Medical College in the same year and continued as such till 1978. He retired from govt service as Professor of Dhaka Medical College in 1983. Later he joined National Medical College and Hospital as Senior Consultant and continued there from 1983 to 1993. He was appointed as Professor of Obstetrics and Gynaecology at Bangladesh Medical College in 1993 and served as such till he retired finally in 2009.

Prof Ershad Ali was never away from service to humanity and medical science in Bangladesh and kept himself involved in various voluntary and social activities till the last day of his life. He was a member and vice president of AOFOG. He was a life member of BAVS Sylhet and a member of Executive Committee of VAVS. He had a good number of publications in prestigious journals at home and abroad.

Prof Syed Ershad Ali was a man of principle and was never deviated from medical ethics. He was a dedicated teacher, and a clinician always affectionate and caring to his patients. He was a very pious man too. He breathed his last on 31 December, 2012. He is survived by his wife, three children and a host of relatives, colleagues, students and patients to mourn his death. May Allah, the most Merciful bless his soul with eternal peace.
