Evaluation form

Your completion of these CME activities includes evaluating them. Please respond to the questions below.

1. Please rate these activities (1- minimally, 5- completely)		1	2	3	4	5
1.1	These CME activities are effective in meeting the educational objectives					
1.2	These CME activities are appropriately evidence based					
1.3	These CME activities are relevant to my practice					

2. How many of your patients are likely to be impacted by what you learned from these activities?					
< 20%	20%-40%	40%-60%	60%-80%	>80%	

3. Do you expect that these activities will help you improve your skill or judgment within the next 6 months? (1-definitely will not change, 5-definitely will change)	1	2	3	4	5

4. How will you apply what you learned from these activities (tick mark all that apply on the right of the statement):		
4.1	In diagnosing patients	
4.2	In monitoring patients	
4.3	In educating students and colleagues	
4.4	As part of a quality or performance improvement project	
4.5	For Maintenance of board certification	
4.6	In making treatment decisions	
4.7	As a foundation to learn more	
4.8	In educating patients and their caregivers	
4.9	To confirm current practice	
4.10	For maintenance of licensure	

- Please list at least one (1) change you will make to your practice as a result of this CME activity:
.....
- How long did it take you to complete these activities?.....hours.....minutes
- What, in your opinion, are the biggest clinical challenges related to obstetrics and gynecology?
.....
