

BJOG yearly CME program

Name of the Article:

Editorial : Ovarian Reserve and Low Anti Mullerian Hormone (AMH)

Page no (61)

Q.1 Which level of AMH is considered as Diminished Ovarian Reserve (DOR)?

Ans: Less than 1.21

Q.2 From where the AMH are produced?

Ans: AMH is produced by the granulosa cells of the preantral and small follicles of the ovaries.

Q.3 How the diminished ovarian reserve can be prevented?

Name of the Article:

Carbetocin versus Oxytocin in the Prevention of Postpartum Haemorrhage after Caesarean Section

Page no (63)

Q. Please write True or False against the statements mentioned below?

- The study was done to see the cost effectiveness of Carbetocin and oxytocin in the prevention of PPH.
- The study was done in 2015 for 6 months.
- This was a comparative study.
- Need for additional oxytocies in intervention and control group were (0.0%) vs (16.7%).
- Intervention group received 10mg of IV carbetocin and control group received 10 IV of IV Oxytocin immediately after childbirth.

Name of the Article:

“Doppler Velocimetry Of Umbilical Artery In Normal And Growth Restricted Pregnancy”

Page no (68)

Q. Write T or F against the statements mentioned below.

- The main outcome measurement of this study was perinatal outcome.
- The main outcome measurement of this study was placental function.
- Intervention given to the study and control subjects were by Doppler evaluation of umbilical artery.
- P1 and R1 were higher in control group (B).
- S/D ratio was higher in IUGR group.

Name of the Article:

Predisposing Factors and Outcome of Preterm Birth in a Tertiary Hospital

Page no (74)

Q. Write down the answer of the following questions

- What was the design of the study in this article?
- What was the commonest predisposing factor for preterm birth in this study?
- What was the commonest associated factor in the study group

Name of the Article:

Awareness of Cervical Cancer among staff nurses in a tertiary level cancer centre in Bangladesh

Page no (102)

Q. Answer the following questions.

- Where the study was done?
- Whose awareness was assessed in this research work?
- What are the variables studied?

Answer Sheet: BJOG yearly CME program: Examination: BJOG 2020: 35(2).

CME on BJOG, 2020, 35(2): 61-142

Please answer the questions on page by filling in the appropriate boxes below. Please mark the box for true answer and fill in the box until the letter is no longer visible. To process your exam, you must also provide the following information:

Name (in CAPITAL LETTER)..... Designation

Official Address.....

Mailing Address.....

Mobile no.E-mail.....

OGSB Member No.

Q 1	A	B	C	D	E
Q 2	A	B	C	D	E
Q 3	A	B	C	D	E
Q 4	A	B	C	D	E
Q 5	A	B	C	D	E
Q 6	A	B	C	D	E
Q 7	A	B	C	D	E
Q 8	A	B	C	D	E
Q 9	A	B	C	D	E
Q 10	A	B			

Evaluation form

Your completion of these CME activities includes evaluating them. Please respond to the questions below.

1. Please rate these activities (1- minimally, 5- completely)		1	2	3	4	5
1.1	These CME activities are effective in meeting the educational objectives					
1.2	These CME activities are appropriately evidence based					
1.3	These CME activities are relevant to my practice					

2. How many of your patients are likely to be impacted by what you learned from these activities?					
< 20%	20%-40%	40%-60%	60%-80%	>80%	

3. Do you expect that these activities will help you improve your skill or judgment within the next 6 months? (1-definitely will not change, 5-definitely will change)	1	2	3	4	5

4. How will you apply what you learned from these activities (tick mark all that apply on the right of the statement):		
4.1	In diagnosing patients	
4.2	In monitoring patients	
4.3	In educating students and colleagues	
4.4	As part of a quality or performance improvement project	
4.5	For Maintenance of board certification	
4.6	In making treatment decisions	
4.7	As a foundation to learn more	
4.8	In educating patients and their caregivers	
4.9	To confirm current practice	
4.10	For maintenance of licensure	

- Please list at least one (1) change you will make to your practice as a result of this CME activity:
.....
- How long did it take you to complete these activities?.....hours.....minutes
- What, in your opinion, are the biggest clinical challenges related to obstetrics and gynecology?
.....
