

## FROM THE DESK OF EDITOR IN CHIEF

I like to express heartfelt thanks and gratitude to all the authors, reviewers, and members of the editorial board of the Central Medical College Journal for their valuable contributions. The success and quality and regular publication of each issue is the result of dedication, hard work, and excellence of the total team.

For our esteemed authors, I am appreciating for entrusting us with your valuable research and insights in medical science. Your innovative ideas and rigorous scientific work continue to enrich our journal and advance knowledge in the field.

My deepest thanks go to the reviewers, whose critical evaluations, constructive comments, and careful attention uphold the high academic standards of the journal. Your commitment for time and effort, expertise ensures the credibility, acceptability and impact of every published article of this indexed journal.

I am very much grateful to the editorial board for their unwavering guidance and leadership. Their efforts in maintaining ethical standards, promoting diversity of thought, and scholarly collaboration have been instrumental in the journal's continued growth till this issue.

Together, your collaborative dedication strengthens the journal's reputation as a platform for high-quality research and medical evidences. I am inspired by your commitment and look forward to continued collaboration in the pursuit of academic excellence and upholding the standard of this journal.

**Prof. Dr. Md. Mahabubul Islam Majumder**

Professor of Medicine,  
Central Medical College,  
Cumilla, Bangladesh
