

## ***FROM THE DESK OF EDITOR in CHIEF***

*(J Bangladesh Coll Phys Surg 2012; 30: 244)*

Dear Fellows,

It is with great pleasure I greet you a happy new year 2013 with the news that our beloved journal is now up-to-date and there is no backlog. With your help we have been able to clear almost all the pending articles. Now the journal starts afresh from 2013. So as usual we invite more articles from you and stress on original papers.

As I have mentioned in previous issues we had an aim to update all the information provided in the Journal and the process the journal is run. This includes information for the authors, criteria for the reviewers and also to set up criteria for authors who are eligible to

write review articles. We have been able to do this successfully and the journal is at the moment in a systematic course.

The achievements of 2012 were something to relish and hope that we would be able to continue this trend in 2013. Once again I thank you all for your cooperation in regularizing this periodical.
