

FROM THE DESK OF EDITOR in CHIEF

(J Bangladesh Coll Phys Surg 2015; 33: 62)

Dear Fellows

Winter is here with all its beauty and melancholy, New Year is knocking at the door and 2014 is on the verge of its end, so is the tenure of our editorial team. Over the last year we have tried to fulfill your expectations. The journal will dawn next year hopefully with a step forward in achieving PubMed enlistment. Every necessary step has been taken for application and we are hopeful that pretty soon indexing would be completed.

We the editorial team has tried at our level best to improve from where we started. There were failures and successes side by side. We hope you would cherish our success and let us learn from our mistakes.
