

## ***FROM THE DESK OF EDITOR in CHIEF***

*(J Bangladesh Coll Phys Surg 2018; 36: 136)*

Greetings for Eid-ul-Fitr. I hope all the members of BCPS family will enjoy Eid with their near and dear ones after a month long Ramadan.

Editorial board of BCPS is working hard to publish the journal in time. At the same time we are highly concerned about maintaining the quality of the journal.

You will get every issue of the journal on line 15 days earlier than the print copy. Our aim is to get international recognition by indexing it to pubmed.

We need more quality articles to publish four issues of journal per year. I request all our fellows specially juniors to submit more articles. This will further improve their performance in the field of research.

Very recently we have also organized one workshop for peer reviewers. We have plan for more workshops in future. Pray for us so, that we can achieve our goal.
