CPD Programme

Continuing professional development is the process of life-long learning in practice. It helps the medical professionals to keep them up-to-date to meet the needs of the patient and health care services and to improve their knowledge, skill and attitude.

Enam Medical College arranges CPD program regularly. From July 2011 to December 2011, total 22 seminars were held. Around 350 students, doctors and teachers attended each of these seminars.

Scientific Presentations

Dr. Shaheen Akter, Associate Professor and Head, Department of Paediatrics, Enam Medical College & Hospital, Savar, Dhaka presented two papers titled “Retinopathy of Prematurity – Bangladesh’s Neonatologists’ Experience” and “Admission Hypothermia among Neonates Presented to Neonatal Intensive Care Unit in Enam Medical College & Hospital” in the 13th International Conference of Bangladesh Neonatal Forum held on 18th and 19th December 2011.
