### News from Bangladesh Society of Medicine

#### **11<sup>TH</sup> INTERNATIONAL CONGRESS AND SCIENTIFIC SEMINAR 2011**

An international congress will be held on March 15 & 16, 2011. The purpose of the conference will be to promote scientific knowledge and unity among internists, educating young internists and increase collaboration among physicians home and abroad. It is the single largest meeting among the various specialists involved in the field of Medicine in Bangladesh. The conference will be honored by the presence of various experts from different parts of the world.

The conference will be held in Dhaka, the capital of Bangladesh.

We invite you to come to BSM International Congress (2011) and share the experience.
