

From the Desk of Editor in Chief

Dear Members,

Greetings!

This the last issue of our editorial team. We tried our best to uphold the dignity of our journal.

As our commitment the journal website has already been launched in the following address: www.sosbjournal.org

I also take the privilege to inform all our members that this journal is now indexed in BanglaJOL.

With active efforts and utmost sincerity of our team we made it possible to make the journal available internationally.

I hope the next editorial board will work relentlessly to index the journal in PubMed in near future.

It is also worthy to mention that the more we submit our papers online through the web site, the more the user number increases and it becomes more vibrant in the web.

I am truly thankful to the authors, the assistant editors, members of the editorial board, the office staffs, the press and all concerned.

Warm regards to all of you.

Thanking you.
