

Editorial Boards, Contents and Appendices: 1-25 Volumes

M. Khalequzzaman

Department of Zoology, University of Rajshahi, Rajshahi 6205, Bangladesh

¹email: kzaman@ru.ac.bd

- Volume 1 (1982)** Editorial Board: Prof. Mustafizur Rahman (Chairman), Prof. M. A. Quayum (Executive Editor), Prof. M. Altaf Hossain, Dr. M. Altaf Hossain, Dr. M. Ataur Rahman Khan, M. Khalequzzaman, M. Mahtab Ali.
- Quayum, M.A. & Baqui, A. 1982. Factors determining the wing forms of brown planthopper, *Nilaparvata lugens* (Stal.) (Homoptera: Delphacidae). 1-16.
- Muttalib, S.A., Rahman, M.A. & Khalequzzaman, M. 1982. The incidence of the pink borer, *Sesamia inferens* (Walker) (Noctuidae: Lepidoptera) on rice. 17-21.
- Hossain, M.A. 1982. On the length-weight relationship and condition factor of the sand lobster, *Thenus orientalis* (Lund). 23-28.
- Bhuiyan, A.S. & Biswas, B. 1982. Studies on the Morphometry of *Puntius chola* (Hamilton-Buchanan) (Cyprinidae: Cypriniformes). 29-34.
- Khalequzzaman, M. & Ansary, F.H. 1982. Effect of some dietary constituents on the yield and vitality of the mulberry milkworm, *Bombyx mori* L. (Bombycidae: Lepidoptera). 35-42.
- Parween, S. & Hossain, M.A. 1982. On the size-frequency distribution and length-weight relationship of beel-chingri of Rajshah. 43-50.
- Quayum, M.A., Ali M.S. & Rahman, A.S.M.S. 1982. Morphological studies on the larvae of *Coccinella repanda* Thunb. (Coccinellidae: Coleoptera). 51-56.
- Ali, M.S. & Mostafa, D. 1982. The histology of the female sex pheromone gland of *Chilo auricilia* (D.) (Pyralidae: Lepidoptera). 57-64.
- Rahman, M.S. 1982. Morphology, histology and secretion of the salivary glands of *Antilochus coqueberti* (Fab.) (Pyrrhocoridae: Heteroptera). 65-70.
- Khalequzzaman, M. & Mannan, M. A. 1982. Effect of artificial diet on certain biological aspects of the silkworm, *Bombyx mori* L. (Bombycidae: Lepidoptera). 71-76.
- Bhuiyan, A.S. & Rahman, M. 1982. Relative species composition of fishes and fishery resources of the 'Benchi Jal' catch at different places of the Sundarbans Estuaries in Bangladesh. 77-78 (*Scientific Note*).
- Hossain, M.A. 1982. Notes on the sex ratios of the sand lobster, *Thenus orientalis* (Lund). 79-80 (*Scientific Note*).
- Jahan, M.S., Rahman, M. & Mannan, M.A. 1982. A report on the assessment of crop loss due to attack of leaf roller, *Hedylepta indicata* (F) Pyralidae: Lepidoptera) on soyabean, *Glycine max* Merr. 81-82 (*Scientific Note*).
- Volume 2 (1983)** Editorial Board: Prof. Mustafizur Rahman (Chairman), Prof. M. A. Quayum (Executive Editor), Prof. M. Altaf Hossain, M. SohrabAli, Dr. M. Ataur Rahman Khan, M. Khalequzzaman.
- Bhuiyan, A.S. 1983. Salinity tolerance of the hatchlings of *Cirrhina reba* (Hamilton) (Cyprinidae: Cypriniformes). 1-6.
- Rahman, A.S.M.S. Quayum, M.A. & Ali. M.S. 1983. Life history and feeding habit of *Harmonia octomaculata* Fab. (Coleoptera: Coccinellidae): a predator of aphid. 7-10.
- Rahman, S.M. & Haque, T. 1983. Studies on the effect of number and duration of mating on occurrence of viable eggs in silkworm, *Bombyx mori* L. race-nistari plain (Lepidoptera: Bombycidae). 11-16.
- Khalequzzaman, M. & Hossain, M.I. 1983. Inheritance of the quantitative characters on the silkworm, *Bombyx mori* L. through hybridization. 17-24.
- Nabi, R., Hossain, M.A. & Rahman, S. 1983. On the use of tube-well and pond water for transporting carp fry. 25-28.
- Afroza, S. & Hossain, M.A. 1983. The fecundity and sex-ratio of *Amblypharyngodon mola* (Hamilton) (Cypriniformes: Cyprinidae). 29-32.
- Islam, W. Ahmed, K.N. & Malek, M.A. 1983. External morphology of *Anisopteromalus calandrae* (Howard) (Hymenoptera: Pteromalidae). 33-39.
- Parween, S. & Hossain, M.A. 1983. Seasonal price variation of *Macrobrachium dayanum* Handr. and sellers margin at different levels of marketing. 41-44.
- Muttalib, S.A. & Khalequzzaman M. 1983. Incidence of the pink-borer, *Sesamia inferens* (Walker) (Noctuidae: Lepidoptera) on wheat. 45-52.
- Baksha, M.W. & Choudhury, J.H. 1983. Entomo-fauna in the forests of Bangladesh. I. Pieridae: Lepidoptera. 53-60.
- Ahsan, M.F. 1983. Incidence of the mango shoot-gall psyllid, *Apsylla cistellata* Buckton at Shibganj. 61-68.
- Ali, M. 1983. The soft scale, *Rastrococcus spinosus* (Robinson): now recorded from Bangladesh (Homoptera: Coccoidea: Pseudococcidae). 69-70 (*Scientific Note*).
- Hossain, M.A. & Islam, M.S. 1983. Sexual dimorphism and sex ratio of *Clupisoma atherinoides* (Bloch). 71-72 (*Scientific Note*).
- Islam, Z. & Khan, A.R. 1983. Effect of different millets on the formation and duration of various stages of the confused flour beetle, *Tribolium confusum* Duval (Coleoptera: Tenebrionidae). 73-74 (*Scientific Note*).
- Khan, A.R. & Rahman, A.S.M.S. 1983. Effect of non-insecticidal chemicals on the hatchability of the eri silkworm *Samia cynthia ricini* (Boisd.) (Lepidoptera: Saturniidae). 75-76 (*Scientific Note*).

- Ali, M. & Ali, O. 1983. On the staining and mounting of the soft scales and mealybugs (Homoptera: Coccoidae). 77-79 (*Scientific Note*).
- Khan, A.R. & Islam, S. 1983. A note on a curculionid beetle attacking date palm. 80 (*Scientific Note*).
- Bhuiyana, A.S. 1983. Observation on the effect of food on the spawning behaviour of Albino guppy, *Lebistes reticulatus* (Cyprinodontidae: Cyprinodontiformes). 81-82 (*Scientific Note*).
- Haque, R. & Kaidanov, L.Z. 1983. Evidence for genetic control of longevity in *Drosophila melanogaster*. 83-84 (*Scientific Note*).
- Volume 3 (1984)** Editorial Board: Prof. Mustafizur Rahman (Chairman), Prof. M.A. Quayum (Executive Editor), Prof. M. Altaf Hossain-2, M. SohrabAli, M. Khalequzzaman, Dr. M. A. Salam, Dr. Rashidul Haque.
- Sarder, M.A. & Murphy, P.W. 1984. Occurrence of the beetles in light trap and phoresy of mesostigmatic mites. 1-6.
- Barman, A.C. & Pasha, K. 1984. Raising of bacteria-resistant silkworm, *Bombyx mori* L. races. 7-12.
- Salam, M.A. 1984. Modification of n-nitroso-n-ethylurea-induced sex-linked recessive lethal mutation frequency by butylated hydroxytoluene in *Drosophila melanogaster*. 13-18.
- Salam, M.A. 1984. A storage effect of n-nitroso-n-ethylurea on the induction of dominant sex-linked recessive lethal mutations in *Drosophila melanogaster*. 19-25.
- Habib, M.A.B., Islam, M.A., Mohsinuzzaman, M. & Rahmn, M.S. 1984. Effect of some physico-chemical factors of water on the abundance and fluctuation of zooplankton of two selected ponds. 27-34.
- Wahab, M.A. & Faizuddin, M. 1984. Mammals of Cox's Bazar Forest Division with their status and distribution. 35-41.
- Kabir, K.H., Mia, M.D. & Ahmed, S.U. 1984. Potential use of some indigenous plant materials as repellents against rice weevil, *Sitophilous oryzae* L. on stored wheat. 41-44.
- Islam, M.S. & Hossain, M.A. 1984. On the fecundity of chela, *Oxygaster bacaila* (Hamilton) (Cypriniformes: Cyprinidae) from the river Padma. 45-48.
- Muttalib, S.A. & Khalequzzaman, M. 1984. Extent of damage and yield loss of wheat due to infestation of stemborer, *Sesamia inferens* (Walker). 49-54.
- Islam, M.S., Salam, M.A., Haque, R. & Zahid, M.H. 1984. The effect of natural selection on two genotypes in intraspecific competition in *Drosophila melanogaster*. 55-60.
- Rahman, S. M., Haque, T. & Salam, M.A. 1984. Evolution of superior multivoltine races of silkworm, *Bombyx mori* L. 61-66.
- Rahman, M.S. & Saha, A.K. 1984. Water and lipid content in fifth instar larva of silkworm, *Bombyx mori* L. 67-70.
- Haque, R., Salam, M.A. & Rahman, M.S. 1984. The modern concept of a gene. 71-76 (*Review Article*).
- Kabir, K.H. & Mia, M.D. 1984. Field observation od pod borer attack on 25 varieties/lines of chickpea. 77-78 (*Scientific Note*).
- Ali, M.S. & Jahangir, A.N.M. 1984. A faunestic survey of the syrphid (Diptera: Syrphidae) flies from Rajshahi. 79-80 (*Scientific Note*).
- Habib, M.A.B. 1984. Observations on the growth of insect larvae with artificial feed in aquarium. 81-82 (*Scientific Note*).
- Faizuddin, M. Observation on the population of common langoor, *Presbytis entellus* (Dufresne) at Keshabpur (Jessore). 83-84 (*Scientific Note*).
- Bhuiyan, A.S. & Haque, M.S. 1984. External morphological changes of the alimentary canal of fresh water gobi fry, *Glossobius giuris* (Hmlton-Buchanan) (Gobiidae: Perciformes). 85-86 (*Scientific Note*).
- Hossain, M.A. 1984. Prawn smoking in Khulna. 87-88 (*Scientific Note*).
- Islam, M.S. & Hosain, M.A. 1984. Lethality in homozygous curly mutant of *Drosophila melanogaster*. 89-90 (*Scientific Note*).
- Rahman, S.M. & Khanam, L.A.M. 1984. Studies on the oviposition and viability of silkworm, *Bombyx mori* L. eggs. 91-92 (*Scientific Note*).
- Volume 4 (1985)** Editor Board: Prof. Mustafizur Rahman (Chairman), Prof. M. Altaf Hossain-2 (Executive Editor), Prof. M. Altaf Hossain-1, Dr. Sayedur Rahman, Dr. Md. Aatur Rahman Khan, Dr. K.A.M. Shahadat Hossain Mondal, Dr. M. Khalequzzaman.
- Baksha, M.W. & Choudhury, J.H. 1985. Entomo-fauna in the forests of Bangladesh. II. Papilionidae: Lepidoptera. 4: 1-7.
- Khan, A.R. & Mazid, A. 1985. The oviposition and fertility of the confused flour beetle, *Tribolium confusum* Duval. (Coleoptera: Tenebrionidae) on barley and rice flours. 8-10.
- Hossain, M.A., Islam, M.S. & Rahman, A.Z.M.S. 1985. The fate of white-eye locus of *Drosophila melanogaster* in frequency-dependent selection. 11-16.
- Ahmed, A. & Quayum, M.A. 1985. Effect of food on the development of *Epilachna quatuodecimpunctata* (Mulsant) (Coccinellidae: Coleoptera). 17-20.
- Rahman, M.S. & Saha, A.K. 1985. Detection of amino acids in the silk gland of the silkworm, *Bombyx mori* L. (Lepidoptera: Bombycidae). 21-25.
- Hossain, M.A. & Chowdhury, D.P.N. 1985. Benefit of paddy-cum-prawn culture in Khulna. 26-30.
- Das, B.C. & Chakrabarti, S. 1985. The effect of seasonal trends in temperature on the intrinsic rate of increase of *Macrosiphoniella sanborni* (Gillette). 31-36.
- Salam, M.A., Haque, R. & Banu, B. 1985. Frequency of dominant lethals induced by ethyl methanesulfonate in sperm of *Drosoplila melanogaster*. 37-41.
- Ali, M.M., Islam, M.A. & Habib, M.A.B. 1985. Monthly abundance of zooplankton and correlation of various dominant species and nauplius of zooplankton with some water characters in a pond. 42-48.

- Khalequzzaman, M. & Hasan, M. 1985. Studies on the effect of juvenile hormone analogue in eri-silkworm, *Samia cynthia ricini* (Boisduval). 49-53.
- Bhouyain, A.M. & Das, D.K. 1985. Primary production of a fishpond. 55-58.
